#### **PROFILE SUMMARY**

- Full Stack Web Dveloper eager to gain experience and continuously learn, I have the ability to contribute to team goals and consistently meet deadlines. My excellent interpersonal skills and positive attitude make me an asset to any team.
- Have experience with **the University of Johannesburg** as a student assistant.
- Proactively initiated work towards improving systems and solving problems to achieve customer satisfaction consistently.
- • Good communication skills, including being a collaborative team player.
- I am eager to apply my expertise to enhance the company's profitability.
- I am prepared to embrace challenges and conquer obstacles while demonstrating a strong desire to learn and excel in new areas.
- I am also currently studying at the University of Johannesburg as a 2nd year paralegal.

### **EDUCATION**

- Bachelors Degree, Greenside High School, Johannesburg. (January 2017-November 2021)
- Paralegal, University of Johannesburg, Johannesburg. (January 2022 Present)
- Full Stack Web Developer, HyperionDev, Johannesburg. (January 2022 July 2023)

#### **AREAS OF EXPERIENCE**

- Strong background with HTML, creating websites and adding styling for visual enhancement with CSS.
- Great knowledge with JavaScript by adding interactivity and dynamic behavior to my web projects.
- Expertise in JQuery making simplified HTML document traversal, event handling, and animation and also making it easier to interact/modify web page elements.
- I am an experienced developer with a strong proficiency in working with APIs. I have successfully integrated APIs in various projects, enabling seamless communication and data exchange between systems.
